DIRECTIONS

Adults: shake well. Take 1 mL (20 drops) once daily, preferably in the morning, in a glass of water.

WARNINGS

Never combine it with SSRIs, SNRIs, MAOIs or other serotonergic medication. Do not use with SSRIs, SNRIs, MAOIs, tricyclics, bupropion, lithium or any other serotonergic or psychiatric medication (risk of serotonin syndrome). Do not use if you have G6PD deficiency or kidney disease, are pregnant or nursing, or are under 18. Do not use if the safety seal is broken or missing. Consult your physician before use. Turns urine (and sometimes stool) blue-green; this is harmless. Stains: dispense into water and rinse. Keep out of reach of children.
